

Meet report Medway 50/200 (Level 4) Sunday 19/11/17 held at Medway Pk, Gillingham

Beachfield swimming squad sent 45 swimmers to contest 139 races with its largest team ever to the Medway 50/200 meet last weekend on Sunday at Medway Pk, Gillingham.

Eight podium finishes were achieved consisting of two first places, two seconds and 4 thirds.

Just some highlights of many from the whole squad included:

Caitlin Ebbage in the 50 bk maintaining her no 3 ranking in GB and the 200 bk taking her to the GB No 1 ranking, Brandon Harris dipping under the 30 sec barrier in the 50 bk for the first time and a no 1 ranking in Kent, followed by the 50 breaststroke also taking him to No 1 in Kent, and Oliver Durrant maintaining his 9th ranking in Kent for the 50 free.

There were 6 fourth place positions from Ed Dickinson Tilda Durrant, Ollie Isaacs, Ollie Durrant and two from Erin Nisbet.

There were 77 licenced personal bests and 32 new or improved Kent County qualifying times were accomplished over the course of the day long meet.

There were too many impressive individual swims to mention here, suffice to say it was a great all-round team effort with most swimmers taking home at least 1 pb.

Beachfield is looking forward to the Medway series of galas in 2018.

Well done all
