Rules and conditions:

Rules: The meet will be run in accordance with Swim England Laws and Technical Rules. The one start rule will be in operation throughout the meet with over the top starts in all events, including backstroke, when deemed advisable by the lead referee.

Information: For further information please contact johngking119@live.com

All swimmers: Must be members of a club affiliated to Swim England and cat2 registered with Swim England.

Data Protection: Entries may be held on a computer solely for the purposes of this competition and consent, as required by the Data Protection Act 1984, to the holding of personal information on computer will be deemed to have been given by the submission of the entry. Personal Data will be available for inspection during the Meet on application to the Promoters. Results will be sent to rankings.

Starts: It is the responsibility of the competitors, coaches and clubs, to ensure that all swimmers are competent to the standard of the ASA competitive start award, to perform a shallow racing dive into the water. In the event of a false start, swimmers should perform a safe entry with a shallow racing dive and not fall into the water. Swimmers are reminded that they are permitted to start in the water for all events, but must advise the referee of this prior to the start of their heat.

Secondary Strobe: There is a secondary strobe available – please inform the referee before the session starts when it will be required.

Warm up: During the warm-up, swimmers and coaches must ensure that they (and swimmers in their charge) take no action that would endanger themselves or others. The instructions of Pool Lifeguards or others in authority must be obeyed immediately.

Safety: Everyone attending the event must familiarise themselves with the location of the Emergency Exits, which must be kept clear at all times. Due to limited space poolside everyone is asked to observe all normal precautions in the pool area and when moving around the sports centre, to ensure their own safety and that of others. Anyone observing anything they consider to be a safety hazard must report it to one of the Meet Organiser's representatives. The pool depths are **2m** at the starting end of the pool and **1.10m** at the shallow end of the pool. **ALL SWIMMERS MUST WEAR SUITABLE FOOTWEAR AND TOPS WHEN IN THE STEWARDING AREA OR WHEN LEAVING POOLSIDE**

Behaviour: The organisers and the pool management reserve the right to remove any swimmer or spectator from the pool area whose behaviour is either against the pool rules or the efficient running of the meet. Stewards will be patrolling the sports centre and anyone found causing damage or seriously misbehaving, will be banned from the meet and refused entry to the building.

Security: Competitors are advised not to leave their belongings unattended and to ensure valuables are placed in a locked locker or deposited with someone for safekeeping. Neither Beachfield Swimming Squad nor the Pool Management will be held responsible for property that is lost.

Litter: Competitors and spectators are asked to place all litter in the receptacles provided and not to leave it on the floor, particularly in the spectator gallery, where it may become a safety hazard.

Pool passes: Coach/Team manager pool passes are £12 each. A maximum of 3 passes may be issued to each club. For child protection reasons, these must all be pre-ordered at the time of submitting entries. Coaches' passes will be collected on the day of the gala. For the purposes of child protection, no persons, unless officials, staff, coaches or team managers displaying a valid pass, shall be allowed on poolside.
